

Rozhkov Nikita

Male, 21 years, born on 10 July 1998

+7 (915) 2728600

ronikita98.07@gmail.com — preferred means of communication

Reside in: Moscow

Education

Incomplete higher

2020

Lomonosov Moscow State University

Faculty of Computational Mathematics and Cybernetics, Applied mathematics, computing and software development

Key skills

Languages

English — B1 — Intermediate

Skills

Knowledge of programming languages: C, C++, HTML and CSS, Python, git, Haskell, Lisp, Refal
Ability to work (program) in a team.

My project

1)Arkanoid game written in Haskell, the project was written in a team, a link to git:
<https://github.com/ronikita9807/Haskell>

2)Using ray marching technology to create realistic scene with shadows, reflections and materials using the opengl 3.0 library. Link to git: <https://github.com/ronikita9807/mashgraf-1>

3)A kind of screensaver was written with the implementation of moving objects and rotating them along different paths using loading models written with opengl 3.0 library. Link to git: https://github.com/ronikita9807/mashgraf_2

4)Writing a python3 language analyzer with a simplified functional implementation in the c ++ language. Link to git: <https://github.com/ronikita9807/python3>

5)Project with css+html+JS+python3. Writing the site and its content to process information from other sites (including parsing pdf), highlight important information and provide it to the end user. unfortunately provide a link to the code is not possible.
